Outdoor menu cases

Outdoor menu cases

Ideal for displaying menus outside for:

- food restaurants and cafes
- petrol stations
- shopping malls
- Retail chains (fashion, food, etc.)
- public locations (bus or train stations, parks, etc.)
- sports industry
- arenas, Concert halls, theaters, etc.

INTRODUCTION

Outdoor menu board means an outdoor sign, associated with a restaurant or other business with a drive-through window, which gives a detailed list of foods or other goods and prices that are available at the business. It is a mandatory sign to have more sales and successful business.

Display your menu outside and let it be visible for everyone! The Outdoor Menu Case with LEDs illumination is a safe and durable menu case, suitable for both indoor and covered outdoor use. A hinged lockable aluminium door, with a clear tempered glass front panel, strong aluminum construction for free standing or hanging the case on the wall, energy saving and bright LED illumination gives a long life to the case.
